¹ The parties agreed to expand the period between the close of expert discovery and *Daubert* motions beyond what was initially provided for in ECF No. 767 solely to account for the winter holidays, and because moving all briefing prior to the winter holidays would not provide sufficient time between the close of expert discovery and *Daubert* briefing. If the schedule were to move again beyond the winter holidays, the parties further agree that the time between the close of expert discovery and the filing of *Daubert* motions would return to the four weeks originally provided for in ECF No. 767.
